INTRODUCTION

To mitigate the impact of COVID-19 on individuals living within Guilford County, Guilford County has initially identified and committed $2.5 million dollars to provide support to non-profit organizations providing support to those impacted by COVID-19.

The objective of this program is to offer immediate financial assistance to non-profit organizations to support those living within Guilford County to provide basic needs such as food, supplies, and medical access.

OVERVIEW

- To support non-profit agencies in their outreach efforts to cover expenditures incurred due to the public health emergency with respect to Coronavirus Disease 2019 (COVID-19), were not previously budgeted, and were (or will be) incurred between March 1, 2020 and December 30, 2020
- To provide necessary emergency financial assistance to individuals and families directly impacted by a loss of income due to the COVID-19 public health emergency.
- Grants of up to $50,000 for approved programs through a competitive grant review process managed by the United Way.
