1. Please call Animal Control immediately after you notice an animal in the trap. All pick-ups will be no later than 5:00 pm. If an animal goes in the trap after 5:00 pm please call Animal Control the following morning at 8:00 am.
2. If you capture an animal after hours or on Weekends/Holidays that has been injured or has bitten someone, please call 911 and an Animal Control officer will pick-up the animal.
3. You are responsible for the animal until Animal Control can pick it up.
4. You are responsible for all cat/dog food for the trap.
5. Please be sure to shut the trap down by 12:00 pm on Saturday or the day before a Holiday, there will be no animal pick-ups on Sundays or Holidays.
6. You may reset your trap late Sunday evening.
7. Please be sure to keep the animals protected from extreme weather conditions. Place the trap out of direct sun light during the summer months and keep covered or protected during winter months.
8. Animal Control has the right to monitor the trap on your property. If the trap is not showing any signs of activity we may remove the trap.
9. If the trap is stolen from your property, please report it to the authorities and call Animal Control. You are responsible for replacing the trap(s).

**Our traps are on loan to Guilford County citizens as a courtesy, please follow these guidelines.**
