

# BE A HOPE GIVER!

Help send a child to Camp HOPE America-  
North Carolina, Guilford County 2019!

The vision of Camp HOPE is to break the generational cycle of violence for children impacted by domestic violence trauma. Camp HOPE begins each summer with a week-long overnight camping adventure for children ages 7-12 who have been exposed to domestic violence. Campers, through a special curriculum developed around traditional camp activities, build resiliency, gain independence and discover *pathways to hope and healing*. In addition to camp, follow-up enrichment activities throughout the year give campers a chance to maintain friendships and stay connected.

**The annual cost per child is \$1,200.**

**Yes, I want to be a HOPE giver and support transforming the lives of children in Guilford County who have been impacted by domestic violence!**
