

EXCITING NEWS FOR GUILFORD COUNTY REENTRY PROGRAM!

Please join us for the Guilford County Sheriff's Office's first **TOWN HALL MEETING**.

Sheriff Danny Rogers is hosting a series of Town Hall meetings throughout Guilford County to discuss the Guilford County Reentry Program. These meetings will give the community an opportunity to hear details about this valuable program.

This program assists men and women who have previously been incarcerated. This program can link participants with community resources including housing, employment, health/ mental health services, child care, life skills, educational opportunities and substance abuse treatment. In the previous year, the Guilford County Reentry Program has assisted nearly 300 participants. Please join us on the pathways to possibilities for our citizens that are in transition.

This program seeks to support individuals who are committed to making a change. Providing tools necessary to assist our returning citizens become productive members of our community is our goal. The Guilford County Reentry Council has more than 250 partners working collectively to impact lives.

Please join us as we celebrate our successes, share information about the program and invite questions in order to further weave together efforts to transform individual lives and provide a positive change in Guilford County.

WHEN: September 26, 2019 from 6:00pm-7:00pm
