New Project Supplemental Questions

The following supporting documentation must accompany your completed project application and submitted to the Collaborative Applicant via zip file to infoCoC@guilfordcountync.gov no later than 12:00pm on Monday, December 8, 2025. (Please submit a narrative with up to 2,000 characters for each question)

1. Describe how your agency intends to actively participate in Coordinated Entry System.
2. Describe how your agency intends to actively participate in the Continuum of Care.
3. Describe your agency budget summary of your requested amount.
4. Describe how your agency has or intends to have clear policies to ensure confidentiality and compliance with the VAWA, which is a federal law that, in part, provides protections for persons who have experienced domestic violence, dating violence, sexual assault, or stalking, or other unsafe conditions to reduce their likelihood of experiencing homelessness.
5. Describe how your agency will ensure substance use treatment services will be available on-site for program participants.
6. Describe how your agency involves individuals from a broad range of backgrounds in its Board of Directors, subcommittees, or advisory/program planning groups, and explain how the agency collects input from all persons that may not have traditionally participated in these processes.
7. Describe how your agency's Board, leadership, and staff have worked to examine and address factors that may contribute to differences in service delivery or outcomes among various populations. Include any efforts to review or revise policies, or to seek training or technical assistance aimed at improving service delivery.
8. Describe how your agency's leadership and staff reflect a broad range of backgrounds and how individuals with relevant firsthand knowledge of homelessness are involved in planning, delivering services or programs.
9. *(Optional, if applicable)* Describe if your proposed project is in an Opportunity Zone? For additional information on Opportunity Zones in Guilford County, please click the links [HUD Opportunity Zones](#), [City of Greensboro](#), and [City of High Point](#).
