

***April 6, 2020***

*As of March 26, 2020, Guilford County Register of Deeds Vendor Business Information Systems advises that all known issues that have come to our attention have been resolved regarding the ROD online public search system.*

*As a result of our internal testing and in our interactions with the public since that time we have found no other issues with the online public search system. We will continue internal quality assurance and testing and encourage searchers to contact us with any questions or concerns.*

*Thank you.*
