

BE A GIVER OF HOPE

SEND A KID TO CAMP

Together, we can break the cycle of violence and change the destinies of children impacted by domestic violence.

The Guilford County Family Justice Center's Camp HOPE is a week-long overnight specialty camp for children ages 7-16 who have been impacted by domestic violence. Campers, through a special curriculum developed around traditional camp activities, build resiliency, gain independence and discover pathways to hope and healing.

In addition to classic camp, we are holding a four-day high adventure backpacking experience for participants ages 14-16, focused on leadership development.
